SSC   *Percentage: 92*

INTERNSHIP

NullClass | Remote   *Jan 2023 – Present*
Project Intern
- Created a stackoverflow clone and integrated chatbot to ask a bunch of programming questions.
- Developed a strong foundation in front-end technologies like HTML, CSS, and JavaScript, as well as back-end frameworks like Node.js and Express.js.
- Learned how to work with databases like MongoDB and MySQL, and gained valuable experience in deploying applications on cloud platforms like Render and Netlify.

PROJECTS

- **Student Progress Analyzer**   **Feb 2023 - April 2023**
  The Student Progress Analyzer is a project that aims to predict the academic performance of students based on their marks and defaulter status. The system provides insights to the teacher on which students are slow, average or good performers.
